Welcome to Holy Island - and thank you for purchasing our AudioTour!

- Depending on how your phone works, the map will either download or sit in your browser.
- Activate each link (there are 45 altogether) by tapping the appropriate icon and tap your back button to return to the map.
- The Information buttons provide links to key websites, the AudioGuides orientate you and offer insights into village life and history and the Island Voices add fascinating local colour.
- If you have earphones, the commentary will not be socially distracting, but if not, please be aware of other visitors nearby.
- Please note that this audio tour with its full interactivity will be available only in the week of purchase Friday - Thursday.
- Please if you are able give us feedback by tapping HERE to help us improve visitor experience.
- Enjoy the tour!
